Once you click on an attorney name, it moves to a Selected box. It is possible to select a report with multiple attorneys by performing additional searches. An additional filter displays so you can narrow your search using check boxes for role types of the parties the attorney represents; debtors, plaintiff, defendants, creditors, or all. You can also choose to view only cases with *pro se* filers.

The report is now limited to a range of 31 days. This prevents you from unintentionally requesting a large data set, which would result in an unnecessarily large PACER fee.

The Judicial Conference of the U.S. Courts has set a policy for sealed cases on this CM/ECF report. Limited sealed case information is allowed including only the case number, entered and filed dates, and divisional office. Names of debtors, plaintiffs or defendants will be protected by being displayed as “Sealed” for bankruptcy cases and “Sealed v. Sealed” for adversary proceedings.
