PUBLIC NOTICE

NATIONWIDE NOTICE OF ELECTRONIC FILING (NEFs) SCAM

There has been nationwide reporting of fake Notices of Electronic Filing (NEFs) being sent to attorneys and law firms across the country. These fake NEFs are phishing attempts to convince recipients to respond back to the emails. Once a recipient replies to the email, they are sent a follow-up email containing a link to access a document that leads the user to a malicious website.

Please take precautionary measures if you receive Notices of Electronic Filing (NEFs) that appear suspicious. Always verify case details and documentation directly through CM/ECF and avoid downloading any attachments or clicking on links from unverified or questionable sources.
