ONLINE PAYMENT OPTIONS VIA PAY.GOV

The District Court of the Virgin Islands now offers new options for making payments. Effective October 8, 2024, online payments will be accepted for [Miscellaneous Fees](#), [Bankruptcy Miscellaneous Fees](#) and [Criminal Debt Fees](#).

[Pay.gov](#) provides a secure government-wide portal for the collection of funds electronically. The Pay.gov link may be found in two locations on the District Court's website. It will be on the Programs and Services Page and the Frequently Used Links.

The authorized methods of payment are as follows:

- Credit Card (only for non-criminal debt payments): Payments can be made using American Express, Discover, MasterCard, or Visa credit card. Credit card payments from bankruptcy debtors cannot be accepted.
- Debit Card: Payments can be made using American Express, Discover, MasterCard, or Visa debit cards.
- Checking or Savings Account: One-time or recurring payments can be made using business or personal checking and savings accounts.
- PayPal: Payments can be made from PayPal accounts.
- Amazon Pay (only for non-criminal debt payments): Payments can be made from Amazon Pay accounts.

If you will be making multiple payments, you can save time by creating a Pay.gov account at www.pay.gov/public/login; however, it is not required. Please note that tickets issued on federal property are different from criminal debt and miscellaneous fees and should be paid directly on the Central Violations Bureau website at www.cvb.uscourts.gov.

If you have questions about online payments, please contact Financial Services at (340) 776-0221.
