March 13, 2015

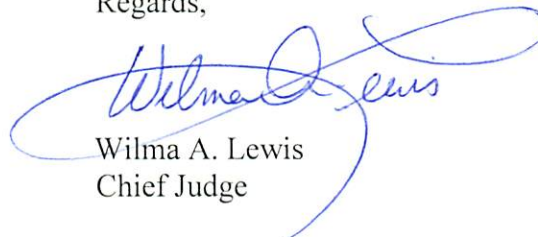

Dear District Court Practitioners:

I am pleased to report that effective March 14, 2015, the District Court's Electronic Devices pilot project will be converted to a standing policy of the Court. Please note that based on comments on the pilot project received from members of the District Court Bar, the following substantive amendments have been made to the policy:

1. Electronic scanning of documents for business purposes is permitted in the Third Circuit Library. (*See* Section II.B.3).
2. Text messages, e-mails, and other electronic communications may be sent and received, in silent mode, from the entrance floor of each of the District Courthouses. (*See* Section II.C.2).

Thank you for your cooperation in making the pilot project successful. Thank you in advance for your strict adherence to the terms and conditions of the Electronic Devices Policy.

Regards,

Wilma A. Lewis  
Chief Judge
