NOTICE REGARDING TRANSLATION OF PLEA AGREEMENT

I, _____, a _____ native speaker, hereby file this notice to inform the Court that I have reviewed the plea agreement entered between the United States and me. I received a verbatim (written translation/oral translation) of the same plea agreement that was presented to the Court in English. I understood the translation of the plea agreement, and I was able to discuss the plea agreement with my attorney. I fully understand the consequences of pleading guilty and the information contained in my Application for Permission to Enter Plea of Guilty. Accordingly, it is my knowing and voluntary intent to seek permission to enter a plea of guilty pursuant to my plea agreement.
