**EIGHTEENTH ORDER CONCERNING OPERATIONS OF  
THE DISTRICT COURT OF THE VIRGIN ISLANDS  
DURING THE COVID-19 OUTBREAK**

**UPON CONSIDERATION** of the current conditions surrounding the coronavirus disease (“COVID-19”) in the Virgin Islands, this General Order implements a “soft-reopening” of District Court operations which allows certain in-person activities and proceedings to be conducted as set forth herein. This Order will take effect on February 17, 2021 and will remain in effect through March 31, 2021, unless modified or terminated earlier or extended by further Order of the Court.

**WHEREAS**, in response to the spread of COVID-19, a national emergency, under the National Emergencies Act (50 U.S.C. §§ 1601 *et seq.*), and a public health emergency were declared by the President of the United States and the Secretary of the United States Department of Health and Human Services, respectively; and

**WHEREAS**, the Centers for Disease Control and Prevention (“CDC”) and other public health authorities have advised public and private agencies to take necessary and appropriate precautions to reduce exposure to COVID-19 and slow the spread of the disease; and

**WHEREAS**, in response to the spread of COVID-19, the Governor of the Virgin Islands declared a State of Emergency on March 13, 2020, which has been extended on multiple occasions and continues in effect until rescinded or superseded by Executive Order; and

**WHEREAS**, in Executive Orders, Supplements thereto, and public announcements issued from March 2020 to the present, the Governor of the Virgin Islands directed and urged various

precautionary and preventive actions, designed to respond to, mitigate, and avoid the further spread of COVID-19, while at the same time altering the nature and level of restrictions imposed based on an assessment of the circumstances presented by the COVID-19 pandemic; and

**WHEREAS**, the Governor’s most recent Executive Order issued on January 27, 2021—which contains guidance as to the activities that are restricted and those that are permitted during the current “Safer-at-Home Phase”—mandates, *inter alia*, the continued closure of child care facilities and public school campuses; and

**WHEREAS**, in light of the serious public health concerns that COVID-19 presents, the District Court of the Virgin Islands entered General Orders concerning the operations of the Court on March 17, 2020, March 20, 2020, April 9, 2020, April 16, 2020, April 30, 2020, May 12, 2020, June 12, 2020, July 8, 2020, July 14, 2020, August 31, 2020, September 30, 2020, October 6, 2020, October 31, 2020, November 30, 2020, December 12, 2020, January 4, 2021, and January 15, 2021, designed to allow the Court to continue to effectively perform its mission of fairly and impartially administering justice, while at the same time doing so in a manner consistent with the adoption of precautionary and preventive measures aimed at reducing exposure to COVID-19 and slowing the spread of the disease; and

**WHEREAS**, in its various General Orders, the Court has recognized—and continues to recognize—that the continuing danger and threat to public health and safety that COVID-19 poses and the unpredictability and uncertainty of the COVID-19 impact in the Territory at any given time require, *inter alia*, the continued monitoring of the COVID-19 climate in the Virgin Islands and the continental United States; the continued implementation of precautionary and preventive measures aimed at addressing the exigencies of the circumstances presented; and the flexibility to adjust the Court’s operations in light of the COVID-19 situation in the Territory, the capacity of the Court, and the needs of particular matters before the Court; and

**WHEREAS**, based on the Court’s continued monitoring of the COVID-19 climate in the Virgin Islands, the Court has adjusted its operations during the course of the COVID-19 pandemic as the circumstances warranted; and

**WHEREAS**, based on the most recent trend in the number of persons testing positive for COVID-19 in the Virgin Islands and the corresponding positivity rates, as reported by the Virgin Islands Department of Health, the Court concludes that, with the continued implementation of appropriate protocols, a carefully monitored lifting of certain restrictions on the Court’s operations can be implemented at this time; and

**WHEREAS**, notwithstanding the lifting of certain restrictions, the Court concludes that the continuing danger and threat to public health and safety that COVID-19 poses—including from the new strains of the virus that are widely reported to be even more easily transmissible than the earlier variants—militate in favor of retaining other restrictions at this time, including the restriction on larger gatherings necessary for conducting jury trials; and

**WHEREAS**, jury selection in the District of the Virgin Islands also frequently involves large jury venire pools, which often consist of individuals in—or caring for those in—the age categories identified by the CDC as being especially at risk; individuals who are otherwise at enhanced health risks for other recognized reasons; and parents or guardians of school age children who remain involved in at-home virtual learning, thus increasing the likelihood of the unavailability of a significant number of potential jurors and the challenges of convening a representative jury venire; and

**WHEREAS**, in view of the foregoing, the District Court deems it appropriate to implement a “soft reopening” of Court operations that contemplates only those proceedings and activities that involve a limited number of persons;

**NOW, THEREFORE**, in order to continue to promote public health and safety, and the health and safety of Court personnel and those with whom they interact in conducting the business of the Court, counsel, litigants, other case participants, jurors, persons with other business at the courthouse, and the general public, and consistent with the accomplishment of the Court's mission, it is hereby **ORDERED** as follows:

1. The District Court of the Virgin Islands will remain open for official business in both the St. Croix and the St. Thomas/St. John Divisions of the Court, subject to the conditions set forth in this Order.

2. The District Court shall implement a "soft reopening" of Court operations effective February 17, 2021, which shall consist of the following:

a. Grand jury proceedings may resume, provided that quorums can be established;

b. In-person court proceedings may be conducted for any matters that do not involve large numbers of persons in the courtroom, with proceedings that qualify for this exception to the limitation on in-person proceedings to be determined in the sole discretion of the presiding judge;

c. Central Violations Bureau proceedings may be conducted;

d. Clerk's Office counter services will resume, except that payments in cash will not be accepted. Payments may be made by personal check, credit and debit cards, money order, or certified bank check, except that criminal debts cannot be paid by personal check or credit and debit cards.

3. Except as otherwise stated herein or inconsistent with the "soft reopening" provisions set forth above, the First, Second, Fourth, Sixth, Seventh, Ninth, Tenth, Eleventh, Thirteenth, Fourteenth, Fifteenth, and Seventeenth Orders Concerning Operations of the District Court of the Virgin Islands

During the COVID-19 Outbreak, which are set to expire on February 17, 2021, shall be extended and continue in full force and effect through March 31, 2021.

4. All civil and criminal jury trials scheduled before any judge or magistrate judge in either Division of the Court, from February 17, 2021 through March 31, 2021, are **CONTINUED** pending further Order of the Court. The Court may issue further Orders concerning future general continuances of any matters as may be deemed necessary and appropriate. All trials impacted by this Order will be reset by further Order of the assigned judicial officer.

5. All deadlines set by Federal or Local Rules or Court Orders, including, but not limited to, scheduling orders in all civil and criminal cases, remain in effect unless modified by further General Order of the Court or by Order of the assigned judicial officer.

6. With regard to criminal matters, the time period of February 17, 2021 through March 31, 2021 shall be “excluded time” under the Speedy Trial Act for purposes of determining when an information or indictment must be filed or when a trial must commence pursuant to 18 U.S.C. § 3161(h)(7)(A), because the Court specifically finds that the ends of justice served by taking such action materially outweigh the best interests of the public and any defendant in a speedy trial and speedy indictment in view of the serious public health impact of COVID-19 as discussed herein and in the Court’s prior General Orders. Such exclusion is necessary as to any cases scheduled for trial during the February 17, 2021 through March 31, 2021 period in order to assure that there is a full, unhindered, continuously serving jury venire and seated jury in every case, which is central to the sound administration of justice. Such exclusion of time is also necessary in cases that are set for trial outside of the February 17, 2021 through March 31, 2021 time period, as well as cases that are not yet set for trial, in order to address the reasonably anticipated difficulties in defense counsel communicating or visiting with clients; the difficulties that the parties are likely to face in undertaking all of the tasks necessary to fully prepare for trial; and the inherent delay in the scheduling of further

trials as a consequence of the exclusion periods in the Court's COVID-19 General Orders. Further, such exclusion of time is necessary in the grand jury context due to the uncertainty surrounding the ability of the grand juries to form a quorum. The Court may by further Order extend the period of exclusion as circumstances warrant, and the assigned judicial officer may by Order also do so as to any specific proceeding.

7. The February 17, 2021 through March 31, 2021 continuances granted in criminal matters as discussed above shall also apply to the time limits established by the Interstate Agreement on Detainers, 18 U.S.C. app. 2, § 2 (art. III), in that the detainee shall be deemed to be "unable to stand trial" for that period pursuant to 18 U.S.C. app. 2, § 2 (art. VI(a)).

8. For any federal inmate released from imprisonment during the period February 17, 2021 through March 31, 2021, the Standard Condition of Release which requires such inmates to submit to one drug test within 15 days of release is waived.

9. By its terms, the Sixteenth Order Concerning Operations of the District Court of the Virgin Islands, Video and Teleconferences for Criminal Proceedings, entered on January 4, 2021, shall remain in effect for 90 days from the date of that Order, unless terminated earlier or extended.

10. This Order shall remain in effect for the period February 17, 2021 through March 31, 2021 unless it, or any portion thereof, is modified or terminated earlier or extended by further Order of the Court.

**SO ORDERED.**

Date: February 12, 2021
