**SEVENTEENTH ORDER CONCERNING OPERATIONS OF  
THE DISTRICT COURT OF THE VIRGIN ISLANDS  
DURING THE COVID-19 OUTBREAK**

**UPON CONSIDERATION** of the continuing surge in coronavirus disease (“COVID-19”) cases in the Virgin Islands and the associated circumstances described herein, the instant General Order continues the restrictions on Court operations imposed in the Fifteenth Order Concerning Operations of the District Court of the Virgin Islands During the COVID-19 Outbreak entered on December 12, 2020 and effective through January 15, 2021. This Order will take effect on January 16, 2021 and will remain in effect through February 16, 2021, unless modified or terminated earlier or extended by further Order of the Court.

**WHEREAS**, in response to the spread of COVID-19, a national emergency, under the National Emergencies Act (50 U.S.C. §§ 1601 *et seq.*), and a public health emergency were declared by the President of the United States and the Secretary of the United States Department of Health and Human Services, respectively; and

**WHEREAS**, the Centers for Disease Control and Prevention (“CDC”) and other public health authorities have advised public and private agencies to take necessary and appropriate precautions to reduce exposure to COVID-19 and slow the spread of the disease; and

**WHEREAS**, in response to the spread of COVID-19, the Governor of the Virgin Islands declared a State of Emergency on March 13, 2020, which has been extended on multiple occasions and continues in effect until rescinded or superseded by Executive Order; and

**WHEREAS**, in Executive Orders, Supplements thereto, and public announcements issued from March 2020 to the present, the Governor of the Virgin Islands directed and urged various precautionary and preventive actions, designed to respond to, mitigate, and avoid the further spread of COVID-19, while at the same time altering the nature and level of restrictions imposed based on an assessment of the circumstances presented by the COVID-19 pandemic; and

**WHEREAS**, in light of the serious public health concerns that COVID-19 presents, the District Court of the Virgin Islands entered General Orders concerning the operations of the Court on March 17, 2020, March 20, 2020, April 9, 2020, April 16, 2020, April 30, 2020, May 12, 2020, June 12, 2020, July 8, 2020, July 14, 2020, August 31, 2020, September 30, 2020, October 6, 2020, October 31, 2020, November 30, 2020, December 12, 2020, and January 4, 2021 designed to allow the Court to continue to effectively perform its mission of fairly and impartially administering justice, while at the same time doing so in a manner consistent with the adoption of precautionary and preventive measures aimed at reducing exposure to COVID-19 and slowing the spread of the disease; and

**WHEREAS**, in its various General Orders, the Court has recognized that the continuing danger and threat to public health and safety that COVID-19 poses and the unpredictability and uncertainty of the COVID-19 impact in the Territory at any given time require, *inter alia*, the continued monitoring of the COVID-19 climate in the Virgin Islands and the continental United States; the continued implementation of precautionary and preventive measures aimed at addressing the exigencies of the circumstances presented; and the flexibility to adjust the Court's operations, as necessary, to afford due consideration to the health and safety of all concerned; and

**WHEREAS**, the Court has adjusted its operations during the course of the COVID-19 pandemic as the circumstances warranted; and

**WHEREAS**, there has been a record-breaking surge in COVID-19 cases in the continental United States around the recent holidays, and a spike in cases in the Virgin Islands during this same

period, that necessitated the reinstatement of the restrictions imposed on the operations of the Court at the outset of the pandemic in the Court's Fifteenth Order entered on December 12, 2020; and

**WHEREAS**, according to the Virgin Islands Department of Health COVID-19 reports, this spike in COVID-19 cases in the Virgin Islands persists, as reflected in an increase from 2036 positive cases and 112 active cases on January 1, 2021, to 2218 positive cases and 156 active cases on January 13, 2021, including an increase of 38 positive cases from January 12, 2021 to January 13, 2021; and

**WHEREAS**, in light of the serious public health concerns that COVID-19 presents and the continuing surge in COVID-19 cases in the continental United States and the Virgin Islands, the District Court finds it necessary to maintain the restrictions imposed on the operations of the Court in the Court's Fifteenth Order;

**NOW, THEREFORE**, in order to continue to promote public health and safety, and the health and safety of Court personnel and those with whom they interact in conducting the business of the Court, counsel, litigants, other case participants, jurors, persons with other business at the courthouse, and the general public, and consistent with the accomplishment of the Court's mission and the circumstances discussed herein, it is hereby **ORDERED** as follows:

1. The District Court of the Virgin Islands will remain open for official business in both the St. Croix and the St. Thomas/St. John Divisions of the Court, subject to the conditions set forth in this Order.

2. With the exception of trials conducted remotely, all civil and criminal jury and bench trials scheduled before any judge or magistrate judge in either Division of the Court, from January 16, 2021 through February 16, 2021, are **CONTINUED** pending further Order of the Court. The Court may issue further Orders concerning future general continuances of any matters as may be deemed necessary and appropriate. All trials impacted by this Order will be reset by further Order of the assigned judicial officer.

3. Sitting grand juries in each Division of the Court are not authorized to meet from January 16, 2021 through February 16, 2021, and no new grand juries will be empaneled during this period.

4. With regard to criminal matters, the time period of January 16, 2021 through February 16, 2021 shall be “excluded time” under the Speedy Trial Act for purposes of determining when an information or indictment must be filed or when a trial must commence pursuant to 18 U.S.C. § 3161(h)(7)(A), because the Court specifically finds that the ends of justice served by taking such action materially outweigh the best interests of the public and any defendant in a speedy trial and speedy indictment in view of the serious public health impact of COVID-19 as discussed herein and in the Court’s prior General Orders. Such exclusion is necessary as to any cases scheduled for trial during the January 16, 2021 through February 16, 2021 period in order to assure that there is a full, unhindered, continuously serving jury venire and seated jury in every case, which is central to the sound administration of justice. Such exclusion of time is also necessary in cases that are set for trial outside of the January 16, 2021 through February 16, 2021 time period, as well as cases that are not yet set for trial, in order to address the reasonably anticipated difficulties in defense counsel communicating or visiting with clients; the difficulties that the parties are likely to face in undertaking all of the tasks necessary to fully prepare for trial; and the inherent delay in the scheduling of further trials as a consequence of the exclusion periods in the Court’s COVID-19 General Orders. Further, such exclusion of time is necessary in the grand jury context due to the uncertainty surrounding the ability of the grand juries to form a quorum. The Court may by further Order extend the period of exclusion as circumstances warrant, and the assigned judicial officer may by Order also do so as to any specific proceeding.

5. The January 16, 2021 through February 16, 2021 continuances granted in criminal matters as discussed above shall also apply to the time limits established by the Interstate Agreement on

Detainers, 18 U.S.C. app. 2, § 2 (art. III), in that the detainee shall be deemed to be “unable to stand trial” for that period pursuant to 18 U.S.C. app. 2, § 2 (art. VI(a)).

6. All Central Violations Bureau proceedings from January 16, 2021 through February 16, 2021 are continued pending further Order of the Court.

7. All in-person court proceedings shall be limited to those that are required by law and are not amenable to continuance. All judicial officers are encouraged to conduct proceedings by teleconference or videoconference where practicable and as permitted by law. As applicable, teleconference and videoconference hearings shall proceed in accordance with the Sixteenth Order Concerning Operations of the District Court of the Virgin Islands, Video and Teleconferences for Criminal Proceedings, entered on January 4, 2020.

8. All deadlines set by Federal or Local Rules or Court Orders, including, but not limited to, scheduling orders in all civil and criminal cases, remain in effect unless modified by further General Order of the Court or by Order of the assigned judicial officer. Parties are encouraged to utilize teleconference, videoconference and other similar means that facilitate the effective accomplishment of assigned tasks without compromising the health and safety of those involved. Further, mediators are authorized and encouraged to permit participation in any mediation ordered pursuant to Rule 3.2 of the Local Rules of Civil Procedure via teleconference and/or videoconference. Any dispute over whether discovery, mediation, or other pretrial activities can be effectively and timely accomplished in a manner consistent with applicable health guidelines may be referred to the magistrate judge for resolution.

9. All judicial officers and employees are authorized to conduct proceedings and to work from remote locations to the greatest extent practicable, unless their physical presence at the Almeric L. Christian Federal Building and Courthouse on St. Croix or the Ron de Lugo Federal Building and Courthouse on St. Thomas is necessary by virtue of the in-person nature of the proceedings or work.
